ABOUT

OUR COMPANY

Welcome to Fontera . This investment plan is designed to achieve your long-term financial goals through a diversified portfolio. We focus on a balanced approach, combining growth potential with risk management, tailored to your individual risk tolerance and time horizon. Our strategy emphasizes consistent, sustainable returns.

MARKETING & SALES

Fontera's strategy focuses on strong marketing and global team building to drive high returns. This includes delivering competitive leadership offerings, unleashing their ingredients engine, investing in operational efficiency, strengthening sustainability, and innovating through R&D. They leverage data and technology to enhance decision-making and customer experience.

MARKET OPPORTUNITY

Financial Gain

Fonterra achieved a normalised profit after tax of NZ\$1,158 million, up 11%, resulting in 70 cents earnings per share for Q3 FY25. They also forecast a NZ\$10.00 per kgMS Farmgate Milk Price.

Sales Statistics

Fonterra's sales volume stayed flat in FY24, but lower prices meant less money earned (revenue). Despite this, they made a good profit, mainly from strong sales in food service and consumer products.

Target Market

Fonterra primarily targets global B2B customers, providing high-value dairy ingredients and foodservice solutions to manufacturers, restaurants, and bakeries worldwide.

Business Partner

Fonterra collaborates with diverse partners, including networks (its owners), major motivational speakers, sales trainers and research institutions. These partnerships drive innovation, sustainability, and market expansion for their globally community building.
